

Volunteer Trail Crew

Help Restore El Prieto!

Sunday, November 7, 2010

7:45 a.m. - 2:00 p.m.

(Don't forget to change your clocks!)

We will meet at 7:45 so we can head out by about 8:00 a.m. Join us to do brush removal and trail repair on one of So Cal Mountain Bikers' favorite trails.

The trail repair work may involve some heavy lifting, rock-reinforcing some sections and rebuilding sections of trail. We'll also be clearing brush from much of the trail, which has grown back since the Station fire. We need to prepare the trail for the coming winter and to keep it in good shape for when this part of the forest eventually opens (Note that it is still closed, and we will be working in the area with Forest Service permission).

No experience necessary. Tools and instruction will be supplied. Be prepared with long sleeves, long pants, sturdy hiking shoes and drinking water. Rain cancels.

Please RSVP at:
